

DECLARATION FORM FOR BUSINESS ENTITY

EXPLANATORY NOTE:

This declaration is made on behalf of a **business entity** that is applying for a licence to provide licensable cybersecurity services.

This form is to be completed by an **officer duly authorised** by the business entity.

In addition, **all Officers of the business entity** are to each complete and submit separate, personal declarations, using the “Declaration Form for Individual” form available on www.csro.gov.sg. **Officers of the business entity** refers to any director, partner, or any individuals listed in the business entity’s business profile e.g. ACRA BizFile, with the exception of shareholders (who are not directors or partners) and the company secretary; or any other person who is responsible for the management of the business entity.

Individuals who are applying for a licence in their personal capacity and not on behalf of any business entity need not complete or submit this form. Such individuals should instead complete and submit the “Declaration Form for Individual” form.

All completed declaration forms are to be submitted to Cybersecurity Services Regulation Office (“CSRO”) as one of the categories of supporting documents in *GoBusiness Licensing*, at the “Upload Supporting Documents” stage.
